# Ghost Dancing

- Love square dancing?
- Up for a new challenge?
- Have you been at a dance where a square was just shy of a dancer or two?
- Have you had extra angels sitting at lessons but wanting to dance?

Come learn how to dance with the 'ghost' in that square. You'll be surprised how easy it is with a couple of lessons.

This two week workshop series, taught by Gary Monday, is a great way to fill in squares and keep the energy going. This is also a way to make sure your angels aren't sitting around due to a lack of dancers. Complete an angel only square with a ghost or two in the back of the hall and add to the energy!
