

The Dudes & Dolls Square Dance Club

Presents the following 2019 Workshops

Booster #1

January 22

Booster #2

February 12

Scott Coon will be conducting these new workshops which are meant to reinforce or “boost” the dancer’s confidence with the Mainstream program. He will be concentrating on the last few moves on the Mainstream list as well as looking at these and other moves from different positions. New graduates and students almost ready to graduate are welcome.

Flourish

Jan. 29 & Feb. 5 with Gary Monday

This new workshop will teach some ‘flourishes’ to enhance your square dance style. Like the way some dancers twirl, bump, or have that special touch that makes their dancing so fun? This is your chance to find those little things that add some pizzazz to your style! If there’s something you’ve wanted to try, let us know and we’ll see if we can include it.

Right Hand/Left Hand Dancers

Feb. 19 & 26 and March 5 & 12 with Scott Coon

If you missed this last year, here’s your chance to dance as the opposite gender! There was a great deal of laughter (and major concentration) last year at these workshops. This is a great way to help your club at lessons or fill in that square at the dance that short’s a guy (and you’re a gal) or a gal (and you’re a guy).

Circulate

March 19 with Susan Morris

Susan’s work with Callerlab for many years enables her to know all different positions and ways to teach and break down circulate positions. Come try as many formats as possible so everyone is comfortable and there’s no hesitation on your part – know exactly what to do and where to go.

Ghost Dancing

March 26 & April 2 with Gary Monday

If you missed this last year, here’s your chance! Come learn how to dance even though there may be 1-3 people missing in a square. This workshop will also reinforce your understanding of where you should be for each call. If a square breaks down, this workshop will help you to know where to go and how to get there.

Grand Square

April 23 with Gary Monday

If you’ve taken one of Gary’s workshops before, you know he always comes with surprises and ways to learn and remember all while having fun, laughing and smiling. He’s a positive, motivated caller who teaches thru C levels of square dance. Join us as he teaches several different Grand Square variations.
